RESUME SUMMARY

I'm a web developer with a passion for programming and web development with over 4 years of programming and 2 years of web experience, working on school and personal projects. Was awarded University Computer Science twice and once the Introduction to Computers. Eager to work with and learn from a robust team of software developers.

RELEVANT EXPERIENCE

Kitchen Inventory

Link: <https://kitchen--inventory.herokuapp.com/>

Github: <https://github.com/Mental-Block/kitchenInventory>

- Design UI in Adobe XD
